

FREE DATA Q CHALLENGES

How do you stack up against other drivers and motor carriers?

- TVC Pro-Driver members receive free Data Q Challenges for dismissed, amended and reduced violations handled by TVC provider attorneys.
- When we fight a ticket for you that results in a challengeable reduction, we'll perform a free Data Q Challenge when the citation is accompanied by the corresponding inspection report.
- A bad CSA score or a bad PSP report can cause you as much trouble in your business as points on your MVR!

**We help keep your PSP report
clean and accurate!**
